Two Men Stage Armed Robbery Near Cloverdale

Troopers from the Indiana State Police at Putnamville and the Putnam County Sheriff's department investigated an armed robbery early Sunday morning west of Cloverdale.

The victim was Charles Fosse, Cloverdale Route 1, who was forced to lie on the floor by two young men while they tied his hands and feet with wire and also taped his eyes shut.

The robbery took place at the Clyde Hoffa home, two miles west of Cloverdale on Ind. 42, at 11:30 Saturday night.

Mr. Fosse who looks after the Hoffa place during weekends, told authorities that two white men knocked on the door and gained entrance on the pretense of car trouble. He said they were both about 25 years of age but strangers to him and that they held a gun on him.

They ransacked the residence and took several hundred dollars in \$100 bills as well as some guns from Mr. Hoffa's gun collection.

When they started to leave, one of the men struck Fosse on the head with the butt of a 32-caliber revolver causing him to lose consciousness.

He told the police he could dimly recall the noise of a motor vehicle leaving but did not know whether it was a car or truck.

He managed to work himself loose from his bonds and summon aid about 4:45 Sunday morning.

State Troopers Keith Young and Jack Hanlon and Sheriff Kenneth Knauer and Deputy Sheriff Paul Mason conducted an investigation.

Chief Urges Use Of Safety Lights

Chief of Police, Roy Newgent today issued an appeal to all residents of Greencastle to participate in the state-wide "Lights On For Safety" campaign during Labor Day weekend.

The campaign is sponsored by the Indiana Traffic Safety foundation, in cooperation with traffic officials, in an effort to concentrate public attention on safe driving over the critical four-day holiday period.

Motorists are requested to turn on their low beam headlights while driving, day or night, during the period from 6:00 p.m. Friday, August 30 to 8:00 a.m. Tuesday, September 3, 1963.

Chief Newgent also suggested that motorists planning extensive travel during the holiday have their vehicles thoroughly safety inspected prior to starting on their trips.

Race Rally Proves Flop In Gotham

A civil rights rally at New York's Polo Grounds flopped Sunday, but Negroes opened a small crack in one of the Deep South's more formidable racial barriers.

Negroes attended religious services at two white churches at Plaquemine, La., but were turned away at two others. Plaquemine has been the scene of numerous racial arrests.

Only 2,002 persons paid \$2 each to get into the New York baseball park which seats about 50,000. A crowd of about 30,000 had been expected to attend the rally to raise funds and stir up enthusiasm for Wednesday's civil rights march on Washington.

Sponsors, who invested \$40,000 to stage the rally, said it was "a tremendous loss." Most of the principal speakers scheduled to address the rally failed to appear.

About 50 Negroes staged a singing march at High Point, N.C., in a continuing protest against the town segregation policies. Fifteen demonstrators were arrested while picketing a High Point theater Saturday night.

State's Traffic Toll Now 803

Indiana's 1963 traffic fatality total crossed the 800 mark Sunday, but the weekend toll of five dead, was in sharp contrast to last week's pace.

As of midnight Sunday, the year's total stood at 803 compared with 736 a year ago. In 1962, the 800-mark was surpassed on Sept. 14, three weeks later than this year.

Her condition was reported as "fair" Sunday morning.

Motorist Dozes Wrecking Auto

A 19-year-old youth escaped injury but his 1956 Ford was damaged considerably in a one-car accident on the West Walnut Street Road about 6:50 Sunday morning.

Charles A. Henry, Brazil Route 3, was enroute to Greencastle where he is employed at the United Service Station on South Bloomington Street.

State Trooper Ted Settle, who investigated the mishap, reported that Henry dozed at the wheel and the auto hit a guard rail and then went through a fence about two and one-half miles west of the city limits.

Rail Battle Shaping Up In Congress

WASHINGTON UPI—A spirited fight loomed in the Senate today over legislation aimed at preventing a nationwide railroad strike Thursday.

Senate leaders planned to call up a measure approved by the commerce committee Friday that would establish a seven-man arbitration board to settle the four-year-old work rules dispute.

The House Commerce Committee was expected to approve a similar bill today. Chairman Oren Harris, D-Ark., said it was hoped the rules committee could act Tuesday and the House itself on Wednesday.

But the threatened Senate fight raised doubts that Congress would be able to enact the legislation before the strike deadline of 12:01 a.m., local time Thursday.

Javits said he would offer his proposal as an amendment or substitute for the committee bill, which would provide arbitration of the two major issues—firemen's jobs and make-up of train crews—and leave secondary issues to collective bargaining.

Unless the dispute is settled by Thursday, the railroads plan to put the controversial new work rules into effect. The railroad unions have announced they will strike if the new rules are imposed.

Win 2nd Place At State Fair

The Eagle Ten and Four Club, representing Putnam County in the adult Home Demonstration Club educational exhibit booth competition at the Indiana State Fair, won second place.

The exhibit which is on the north wall of the Horticulture building shows the growth of the Indiana Home Demonstration Clubs from their beginning as an outgrowth of the Farmer's Institutes in 1913 until the present.

From ten home economics classes in 1913 to 3,059 Home Demonstration Clubs with 65,205 members in 1963 is the story of the growth of this organization. Putnam County has the honor of having one of the original ten classes which became the Roachdale Home Demonstration Club in 1913. The Roachdale Clubs held open house for the other clubs of the county last May 4.

At present the Putnam County Organization has 30 Clubs, two affiliated clubs, with a membership of approximately 600.

Trapped Miners May Be Rescued By Dusk Today

RESCUE HARNESS

Rescue officials check proper fitting of a parachute harness that will be used in the rescue capsule to bring up the two miners in the shaft opened by the giant 12 in. drill. The miners will be strapped into his harness, then lifted into the capsule, which will lift them 308 feet to freedom.

SHEPPTON, Pa. UPI—Two rugged coal miners, trapped 308 feet underground for two weeks, may ascend to sunlight from their subterranean prison today in a torpedo-shaped escape capsule.

Wary but hopeful rescue workers before dawn passed the halfway mark in the final stage of drilling operations aimed at enlarging the 12-inch hole to the chamber where David Fellin, 58, and Henry Throne, 28, were trapped.

Despite two early morning delays, a drill had reamed the smaller hole to a diameter of 17 1/2 inches down to a depth of about 200 feet by 5 a.m. EDT.

The first 38 feet of the rescue shaft was enlarged to 30 inches Sunday. Then a 26-inch-wide steel casing was inserted in that section of the hole to reinforce its walls, and reaming with the smaller bit was started.

In another operation, a rescue worker said it may take until sometime Tuesday to finish drilling a 3-inch hole to the spot where a third miner, Louis Bova, 42, was thought to be trapped.

Bova, who was with Fellin and Throne when the mine shaft they were in collapsed Aug. 13, was last heard from on Tuesday. Hopes that he would be found alive were dim.

Demos To Help City Candidates

INDIANAPOLIS UPI—Democratic bigwigs prepared today to take an active part in this fall's municipal elections following a spirited party rally in connection with the weekend gathering of the Indiana Democratic Editorial Association at French Lick.

Sen. Vance Hartke has scheduled numerous speeches over the state and Governor Welsh also will talk in many localities during September and October to help the party's nominees for city offices.

There were no indications at French Lick that Welsh or any of his aides will fight Hartke's renomination. However, Hartke freely admits he probably will be troubled by Republicans in the 1964 campaign.

Tropical Storm No Land Threat

MIAMI UPI—Hurricane Beulah, the season's second tropical storm, ran a speedy but harmless course southeast of Bermuda today and weathermen said she was no threat to land areas.

The latest advisory located the 105-mile-an-hour winds around Beulah's center at latitude 29.6 north, longitude 60.5 west, or about 325 miles southeast of the British resort.

Gales extended 250 miles from the hurricane's center in the northeast semicircle and about 150 miles to the southwest.

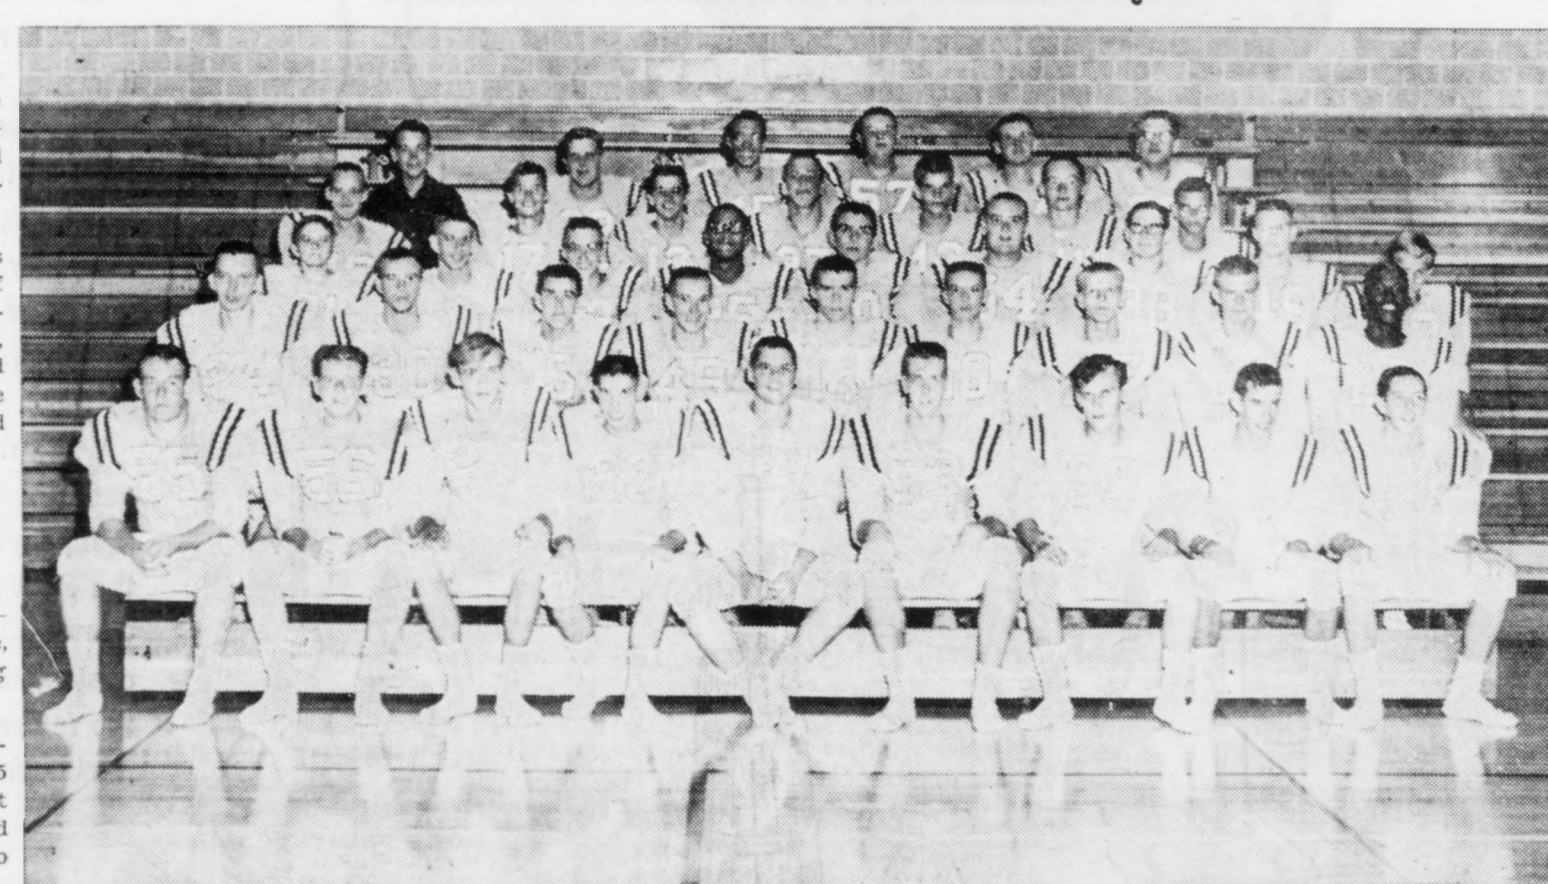

Beulah was moving on a northerly course at nearly 12 miles an hour which would send her "well to the east of Bermuda today," the Miami Weather Bureau said.

Many Saigon Students Jailed

SAIGON UPI — The government concentrated today on silencing angry students who are

carrying on the campaign of opposition initiated by Buddhist leaders, most of whom now are in hospitals or jails.

Police shot and killed a girl taking part in an anti-government demonstration Sunday and carted hundreds of other students off to jail. Some estimates placed the number under arrest at 2,000.

Several youths were wounded

by police gunfire and others were roughed up by riot patrolmen. The crackdown began only a few hours before U.S. Ambassador Henry Cabot Lodge called on President Ngo Dinh Diem to present his credentials and give Diem a message from President Kennedy.
